GILBERTERT LIGHT EXPERIMENTS FOR BOYS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Gilbertert Light Experiments for Boys The things that are the most common are often the ones that people know the least about. This is true of light. Few boys have even taken the trouble to get the essential facts about this subject. You can realize how important it is when you are told that Without the sun - our main source Of light - there would be no life at all. There would be no growth of plants, that s sure. I know as a boy my curiosity was always prompt ing me to ask questions. I wanted to know the facts and reasons for everything. I believe most boys are the same in that respect. This book has been written so that you can get information first hand on a mighty interesting subject. It is in plain language, which you can readily understand, and a study Of it will soon make you familiar with great scientists, who have made laws of great importance. Their discoveries make possible the use of a number Of instruments that you know SO well. The telescope the opera glass the moving-picture machine are just a few which can be mentioned, and you know how necessary they are in the world today. In learning facts about light and some Of the inventions made by great men you will get a knowledge that very few boys have. You will be able to talk very interestingly about light and it will be easy for you to explain a great many questions that come up in connection with it. Best Of all, you will have a whole pile Of fun and at the same time get a good understand...
