Ressurrection House. Paperback. Book Condition: new. BRAND NEW, Jumpstart Your Novel, Mark Teppo, What's the easiest thing about being a writer? Sitting in a chair! What's the second easiest thing about being a writer? Putting your hands on a keyboard! What's the hardest thing about being a writer? Making words come out of your brain! It doesn't matter if you've just started thinking about writing a novel or have done a dozen of them; getting started on a new project is always the hardest part. That's where Jumpstart Your Novel saves the day. Inside this book, you'll discover a technique that will help you outline an entire novel in a little under two hours. That's less time that it takes to sit through a movie (with previews), get across town in rush hour traffic, or vacuum your cat! Using a simple Nine Box Model, you'll organize your thoughts so effectively that brainstorming a novel will seem as simple as following the directions on the back of a box of cake mix. Idea stacking, plot spinning, pants wearing: all of these tools will be at your disposal as you settle into that writing chair and start your brain fire!
