## Stonlea (Hardback)

By Victoria Chave Clement, Peter W. Clement

Bauhan (William L.), U.S., United States, 2014. Hardback. Condition: New. Language: English . Brand New Book. Stonlea: A Timeworn Gilded Age Survivor Transformed documents the painstaking steps involved in the preservation and renovation of this building, and describes the renovators techniques. It specifically addresses the renovation of the fabric of the building--the various energy conserving strategies and the mechanical systems--as well as the whys and wherefores of the design, and is intended to serve as a model and inspiration for similar undertakings, regardless of size. Stonlea is a large Colonial Revival\* style summer house in New England, a vivid example of nineteenth-century resort architecture. It was completed in 1891 by a family from St. Louis, seeking to escape the withering summers on the Mississippi River. The house was designed by the well-known Boston architecture firm of Peabody Stearns, who were very busy in the late nineteenth century, designing country houses that helped shape the new face of resort architecture in the northeast. It was built to accommodate a family of five and their domestic help, as well as long-term guests, and it therefore met the requirements of Polly Guth, its new owner, who wanted to house visiting family members and make...
