Brand New Book ***** Print on Demand *****.There is written rule that some people will succeed no matter how little they try and that others will fail irrespective of how hard they try. The truth is we all live in an existential framework where we are presented with opportunities to pursue our purpose. Despite the odds that are stacked against a considerable portion of humanity, a few people have successfully attained their goals. To understand your purpose, you have to set aside time to think deeply about the things that make you happy when you do them. This is your path of passion and the moment you discover it, pursue it to the very end. In your quest to live...
