CARIBBEAN MOON: A MANNY WILLIAMS THRILLER (PAPERBACK)**DOWNLOAD**

Murcer Press, LLC, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Small-town detective/workaholic, Manny Williams, is thrilled with the prospect of finally taking the long-awaited vacation he had promised his wife, Louise. The couple's exotic getaway begins in sunny San Juan, Puerto Rico, by attending the June wedding of a fellow Lansing police officer, followed with an incredible week-long Southern Caribbean cruise on the glamorous Ocean Duchess. Tropical paradise appears to be a perfect recipe for desperately needed R and R.until the first dead body. A bizarre, seemingly random murder in their posh San Juan Hotel, and the heinous cruise ship deaths of two of Lansing's law enforcement family, brings Manny, and his unique skills, out of cruise mode and head-long into the FBI-led investigation. Manny soon discovers that in this killer's twisted perception nothing is off limits, prompting a race against time that could cost him everything. If you like edge-of-your-seat thrillers laced with humor, you'll love this! Caribbean Moon: A new standard has been set for thrillers. In Rick Murcer's debut novel, Caribbean Moon, he's mixed the perfect ingredients to lock in readers, starting with the opening witty banter between Manny and Sophie. From there, the book takes off like a run-away roller coaster. Murcer knows just when to slow the pace and when to hit the gas. He's created a twisted mystery, with infectious characters and an unfathomable ending. Manny Williams might be the new Jedi of investigators, and Murcer is a Spielberg-like creative powerhouse. Caribbean Moon is absolutely magnetic! John W. Mefford, Best-selling suspense author of COMMITTED.
