EVEN MORE MIXED UP INSIDE: (A BIG MESS OF MY VERY BEST) (PAPERBACK)

iUniverse, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Written for people who have realized they re even more mixed up, inside, than they could ever think, based on who s not made sense out of them, Even More Mixed Up Inside contains more than 2,500+ jokes and one-liners that offers readers a way to think someone is finally as mixed up as they ve been from birth to death as a mixed bag of random thoughts going nowhere. Willidau has been mixed up for most of his life wondering what the people who stuffed his brain were even thinking after he got a hold of it. Ken Willidau s philosophy is that if you can t put it in the order that makes sense for you, mix it up even more and hope that making random chaos out of it may just make it come out right. Willidau realizes he will always be confused and no matter how much order he tries to put to anything, it will just be more mixed up to others, anyway, depending how they stuff own their brains with it. Give your own brain a rest and make others work harder to understand what you re trying to get across to them and if they can t you ll both have being mixed up in common like others made you to them. Chapters just divide up what makes no sense to just make it a book with chapters to something but who knows what s inside them. Among them, -Not Quite Ripe, Yet-, -Friends and Fauxs-, -Words of Wisedumb-, -The Book Stops Here-, and -Daisy Bait- make the day one of those daze when you re sick of thinking for yourself. The time is spent with...
