Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Financial statement analysis seems like an obscure and complicated endeavor -- and, indeed, it is. However, even if you re not an economics major there are certain times when having a rudimentary working understanding of financial statement analysis can be really important. Most commonly, people find that they need to do some financial statement analysis if they re looking to invest in a company or evaluate its financial condition. So if you want to be a savvy investor, how do you go about it? That s what we ll discuss in this book.
