## DANOVIA PRIME OBLITERATED! THE DIARY OF SEDONA AMES: THE YPSILANTI-DAKKAROSI WAR, VOLUME 2 OF 3 (PAPERBACK)

Strategic Book Publishing Rights Agency, LLC, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This second book of a trilogy is set in the twenty-third century. It s a tale of rising tensions and loyalties played out on a galactic stage on the Confederation colony of Danovia Prime in the Orion Section. Danovia s colonists were shocked to witness the destruction of their moon Trinity by the Ypsilanti Empire, a relentless force trying to eradicate the Dakkarosi. Marsha Ames gave birth to Sedona while on duty during that attack. That massive, square silver object the Dakkarosi stole has been brought to Trinity by two Terran opportunists, transported to Terra, and then returned to the Ypsilanti Magi after a drawn-out negotiation process. However, the Ypsilans are still bent on eliminating the Dakkarosi. To that end, the Ypsilanti forces secretly established bases on Danovia as Sedona matures into a teenager. Her mother, Marsha, and her father, the late General Rick Cox, never married. They showered her with love until he died of heart failure when Sedona was a small child. Sedona was the only teenager left on the planet after the Confederation allowed relocation for those wishing it. But Sedona would not leave without her mother, and Marsha could not go because she is a contracted Confederation employee. What will happen to those remaining on the planet? Find out in Danovia Prime Obliterated! Gregory A. Pierson grew up in Alton, Illinois, on the banks of the Mississippi River. He is temporally living in Castillejos, Zambales, Philippines.
