*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

Canongate Books Ltd. Paperback. Book Condition: new. BRAND NEW, Lying Awake: An Unfinished Autobiography and Other Posthumous Papers (Main), Catherine Carswell, John Carswell, As a fine novelist, critic and biographer Catherine Carswell led a passionate and various life, full of intellectual commitment and a wide range of social interests. She worked on this original, modest and yet richly remarkable autobiography over a number of years, coming back to it again and again, almost as an act of meditation. The younger daughter of a Glasgow shipping merchant, Catherine Macfarlane studied music in Frankfurt before returning to Glasgow and then moving to London where she worked as a literary and dramatic reviewer and met her second husband, Donald Carswell, and a wide circle of literary and cultural figures, including a succession of Soviet ambassadors, Lady Tweedsmuir and D.H. Laurence. In fact she became one of Laurence's close friends, and it was he who encouraged her to write her first novel, *Open the Door!*, based on her own background and a sense of growing social and spiritual independence. Carswell's interests and enthusiasms encompassed (among others) Herzen, Dickens, T.S. Eliot, Rabelais, Burns and Boccaccio, but *Lying Awake* is the distillation of her thoughts on her own life and indeed on the nature of identity and autobiography itself. Left unfinished when she died in 1946, the manuscript was edited by her son John and has not been reprinted since it was first published in 1950.
