Reviews

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

Groundwood Books. Paperback. Condition: New. 168 pages. Dimensions: 7.6in. x 5.0in. x 0.5in. In this brilliant and poetic novel, BRIAN DOYLE brings us back to the Gatineau River near Ottawa, the world of UP TO LOW and UNCLE RONALD. Mary Ann Alice McCrank was named for the pretty church bell in the steeple of St. Martins Church in Martindale. She has the soul of a poet and Mickey McGuire Jr. (son of Mickey, the narrator of UNCLE RONALD) is in love with her. Mary Ann Alice is passionately interested in many things, especially the geology of her part of the world. Her teacher, the wonderful Patchy Drizzle, shares her passion for rocks and fossils, many of which can be found along the river and in caves under the famous Pagan Falls. But a new project to dam the river at Low places rocks, fossils, falls as well as many farms in danger, including those of Mean Hughie from UP TO LOW and the strange Cork family. But the dam must go ahead. And, as with much technological change, it brings both benefits and tragedies to the community. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
