Simply order ISBN 978-1-60426-502-6.The Essentials of Political Analysis, 3rd EditionStudent anxiety runs high given the seemingly intimidating nature of the methods course. Philip Pollock s first order of business is to get math-phobic students comfortable learning and using the tools of political analysis. Brief and accessible, his text walks students through the basics measuring concepts, formulating and testing hypotheses, describing variables and uses key terms, chapter-opening objectives, more than eighty tables and figures, and class-tested chapter exercises to promote skill application and aid student review. Fully up-to-date with new exercises and data, this third edition includes a new chapter devoted to measuring and describing variables, as well as fresh coverage of multiple regression and research design. Find out more about The Essentials of Political Analysis, 3rd Edition, including testimonials and the table of contents. An SPSS Companion to Political Analysis, 3rd EditionIn his popular workbook, An SPSS Companion to Political Analysis, Philip H. Pollock III gets students using actual political data and working with a software tool that prepares them for future political science courses. Now updated using SPSS 16.0, the new third edition is a no-nonsense and friendly introduction to using SPSS: students learn through a series of guided examples, reference 120 screenshots, and can count on step-by-step instructions to all procedures. As in previous editions, the workbook covers the full array of data analysis procedures...
