

## The Citizen s Guide to Defeating the Mainstream Media (Paperback)

Filesize: 2.89 MB

### **Reviews**

*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.*

*(Prof. Loyce Runolfsson Jr.)*

Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Bias is part of human nature, and the founders of the United States understood this. That s why they protected a privately owned media to serve as an unbiased watchdog to inform the public of the activities of the government. Over time, this sacred trust has been eroded, and the media has traded it s role as a conveyor of public opinion into the persuader of public opinion. Through their use of language, perpetuating false narratives and by blatantly ignoring facts, the mainstream media has pledged their influence and power to advance liberal ideology and control the minds of the American people. The Citizen s Guide To Defeating the Mainstream Media is a must have for anyone seeking to understand how propaganda is being used and how to confront those seeking to advance their political ideology at your expense. Harper spent years working as a congressional aide, political candidate, journalist, and commentator. He has worked behind the curtain of American politics and has developed this practical guide on how to identify, decode and confront media and political spin, along with practical exercises and group role play activities that prepare you to defeat an increasingly hostile media.
