TORTOISESHELL CATS. AN INFORMATIVE GUIDE TO TORTOISESHELL CATS AND THEIR FAMOUS TORTITUDE . (PAPERBACK)

DOWNLOAD

IMB Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Tortoiseshell cats are affectionate; they are playful and have an independent spirit. Their tortitude is a combination of superiority and mischievousness which although sounds difficult to handle is actually a delight to have as a pet. On observation, although it has never been scientifically verified, their very specific genetics and eclectic coat colorings could be a reflection of their personality. They have a perfect blend of vivacity, nonchalance and affection that brings out the best in all cat breeds. This is a very informative book by Clifford Worthington. As an animal lover, he enjoys writing animal books and advising others how to take care for their animals to give them a happy home. Tortoiseshell cat facts and information: care, grooming, health. An informative guide to tortoiseshell cats and their famous tortitude . The book is written in an easy to read and understandable style. In a straight forward, no nonsense fashion, Clifford Worthington explains how to look after your cat. He has been in the company of animals for over 40 years.
