Amazon.com, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Description of Echoes of Ilium America seems to have a fascination with the oil industry, but our idea of it is formed by newspaper headlines and TV shows. Mike Brown is a freshly minted mechanical engineer who goes to work for Exxon and is assigned as the drilling engineer on Buck's rig, the Hector. Mike has heard all the Buck Burnet stories but even they didn't prepare him for the reality; a huge, movie...
