By Frank H Fenno

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.From the Preface. The following work, taught in connection with the Art of Rendering, has been for a number of years given to pupils in notes, and is now published for the first time. The principles presented in the two books are not vain experiments, for results are manifest in the successful pupils who are filling places as teachers, preachers, readers, lecturers and entertainers. No claim is made to present some wonderful, new and original system, but both new and old that have been tested and found most helpful from Shoemaker, Emerson, Curry, Brown, Murdoch, Bush, Austin, Plumptre, Delsarte and others, are the sources from which this system is formed. In The Science of Speech and The Art of Rendering are given principles in the simplest, most concentrated form, which might easily be expanded into chapters. The statements are, as far as possible, shorn of philosophic argument, though there is abundant proof for their truthfulness. On account of brevity and so that the principles may be easily understood, no attention has been given to a fine style but,...
