

## Arab Political Demography: Population Growth, Labor Migration Natalist Policies (Hardback)

By Onn Winckler

Sussex Academic Press, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. The Arab Spring exposed the fundamental weakness of the non-oil Arab economies, namely, the imbalance between population growth and the labour market, resulting in the emergence of structural unemployment among young adults. By the early 2000s these economies faced impossible circumstances: in order to achieve substantial economic growth they had to reduce subsidies and increase privatisation -- economic policies that led to a deterioration of the living standards of the vast majority of the population. The Arab Spring created a new category in the region, that of failed Arab state , characterised by a fallen old regime without a competent new regime to replace it. Civil wars resulted, along lines of religious or ethnic division, as in Syria (Alawites against Sunnis), Iraq (Shi is against Sunnis and Kurds against Arabs) and in Yemen (Shiis against Sunnis). Regional divisions accounted for the civil war in Libya. The other side of the new Arab map is the Arabian Gulf oil states which continue to function as before, both politically and socioeconomically. Chapter 1 places Arab countries in the global demographic picture. Chapter 2 examines the quantity of...
