Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Haunted Summer at Mill Creek Park is a story of family love and loyalty which transcends the passage of time. Set at the park in Youngstown, Ohio, two sisters, Chrissy and Meg Stewart, discover the ghost of a young boy roaming the park. Miles Higgins died in 1782 and was buried somewhere in the area of the park when it was still a wilderness. But when the park was established in 1891, excavators relocated the cemetery, inadvertently missing several graves, including Miles . Longing to rejoin his parents and sister, he enlists the help of the girls, who in turn coerce their feisty great-grandfather to help, and they all search to find his burial spot. Soon other deceased family members, such as Miles sister and parents, join in the search for Miles grave. But they are not alone and soon find themselves fighting the presence of spirits who had been malicious towards the Higgins and others in their community back in the 18th century.
