

## Interviewing for the Helping Professions: A Relational Approach (Paperback)

By Fred R. McKenzie

Oxford University Press Inc, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Conducting a successful professional interview is more than an exercise of technical skills. The specific approach an interviewer takes with any client should be informed by the interviewer s understanding of the client s needs and preferences exhibited within the developing relationship. Interviewing for the Helping Professions promotes a theory-driven, relational approach to professional interviewing across disciplines. The author s aim is to organically illustrate the theories and techniques of interviewing within the context of building and utilizing the therapeutic relationship. The author uses example interviews to illustrate the variety of settings, clients, and issues interviewers encounter. Each interview is fully annotated with the theory and practice skills being exhibited. The emphasis on theory allows the reader to fully understand the underlying principles of interviewing, encouraging them to be present and in-the-moment with their clients. This comprehensive book is an indispensable resource for practice courses in counseling, human services, psychology, and social work programs.

### Reviews

*I actually started looking over this publication. It really is rally interesting throug studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Dana Hintz

*Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).*

-- Elisa Reinger
