We must forbear to touch further on this subject, however, for it is with the implement of play rather than the play itself that we deal. Tip-cat, though not exactly a ball game, is played in a way so resembling the ball games we have been Balls, describing, that we must include it in this chapter. Two Ball-play, figures of children engaged in this pastime are frequently and other represented in the woodcut initial letters used in some Games. of the smaller books which were issued from the Gioldo press at Venice during the first half of the sixteenth century. Like hop-scotch, or Scotch hoppers, as the old name reads, tip-cat is played by native children in India, where it was introduced by the Portuguese. The stick or cudgel held in the hand of the child is used to strike one end of...
