Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE HORSE: PASSION, BEAUTY, SPLENDOR, STRENGTH (HARDBACK)

Parragon, United Kingdom, 2014. Hardback. Condition: New. Language: English . Brand New Book. Horses are among the most treasured creatures, not only for their long-standing partnership with man, but their strength, beauty, and spirit. The Horse is a beautiful book that gets right to the heart of these stunning animals, exploring everything from their behavior within a herd, to the myths and legends we associate with them, and their striking physicality. It concludes with sections on their varied colors and markings, and a charming chapter on their foals. Showcasing a wide variety of horses and ponies from around the world within their natural environments, this book is an eye-catching compendium for horse lovers of any background.
