

iPhoneography

By Clawson, Michael

Condition: New. Publisher/Verlag: Springer, Berlin | How to Create Inspiring Photos with Your Smartphone | This book introduces you to professional photography and composition principles, tricks and techniques of iPhoneography, photosharing, and more. Do you have a smartphone with you right now? If you do, along with this book, you've got everything you need to make amazing photography. The first three chapters of the book use digital photography history to give you an overview of the capabilities that you can employ, and the remainder of the book is focused on hands on techniques of iPhoneography so that you are getting professional results. This title uses the iPhone and iPhone apps in its examples; your own smart phone and individual apps may be different, but the techniques you'll gain from this book, and the insights into your own creative potential are not dependent on specific equipment. Maybe you occasionally take a great shot with your smartphone camera but you wonder what you need to keep doing right to make that kind of difference in all your shots. Maybe you're suspecting that you no longer need to lug around a DSLR camera to bring home great photographs. And maybe you just get a charge...
