Notion Press, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Lakshmi Calling is a compilation of all my experiences as a tarot card reader and an energy healer. It tells bittersweet tales of my struggle with money, finding myself and emerging positively. Life is a journey in which we come across many people who teach us in numerous ways. Thus, I have mentioned my family, friends and pets who have significantly helped me with my growth. Small Description about the author: Meeta is a good person to know. I know her past nine years and it is great to know her as a person. I met her in a meeting and from that day we became friends instantly. It was like we were destined to meet. She is very sensitive, loving, and generous. Her knowledge of tarots is excellent and very accurate. I wish her all the best in her future endeavours and for this book too.
