

Pagan Blue Skies: A Workbook for a Better Life for All with Vegan Recipes (Paperback)

By Lecturer Julie Fisher

Createspace, United States, 2015. Paperback. Condition: New. Workbook. Language: English . Brand New Book ***** Print on Demand *****.Are you ready to look at your world in a new way? In a life-enhancing, positive, constructive way? In a way that realises every living thing matters and is certainly worthy of our respect and kindness. Pagan Blue Skies returns you to Nature, reminding you to be strong like the oak tree-- to spread your own canopy of protection, nourishment, benevolence, re-invention, thoughtfulness, and a good heart. British Celtic Paganism is a very ancient philosophy, yet in today's world it's as important, relevant and crucial as it was in our ancestors' time; it concentrates on all the colours of the ecology picture without making the saving of the planet an insurmountable problem. Paganism has a respect for all life--it's life-coaching with an Earth-centred awareness and is a very enriching, optimistic and exciting way to live your life. Return to Mother Nature for your strength, spirit, purpose, health and healing: only Nature can provide a belief in self where you are central to what happens in your life and the life around you. Just as holidays by the sea or...
