

## Masculinity Studies and Feminist Theory (Paperback)

Filesize: 2.89 MB

### ***Reviews***

*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.*

*(Prof. Loyce Runolfsson Jr.)*

Columbia University Press, United States, 2002. Paperback. Condition: New. Language: English . Brand New Book. Why is there so much talk of a crisis of masculinity? How have ideas of manhood been transformed by feminism? Does feminism hold the key to the development of more egalitarian forms of masculinity? Masculinity Studies and Feminist Theory addresses central questions about the analysis and construction of masculinity in contemporary society. The volume examines the ways male privilege and power are constituted and represented and explores the effect of such constructions on both men and women. With subjects ranging from Robert Bly's Iron John to Tom Hank's niceness, this collection overturns old paradigms about identity, victimization, and dominant and alternative forms of masculinity to advance new dialogues between masculinity studies and feminist theory. Looking particularly at literature, film, and classroom practices, Masculinity Studies and Feminist Theory links the analysis of masculinities with feminism's ethical and political agenda for the future. Its authors share a conviction that such a link not only reveals the persistence, now more subtle and varied, of male entitlement but also promises to create an enriched and reinvigorated feminism for a new century. Why is there so much talk of a crisis of masculinity? How have ideas of manhood been transformed by feminism? Does feminism hold the key to the development of more egalitarian forms of masculinity? Masculinity Studies and Feminist Theory addresses central questions about the analysis and construction of masculinity in contemporary society. The volume examines the ways male privilege and power are constituted and represented and explores the effect of such constructions on both men and women.
