*Definitely one of the better publication I have got possibly read. It really is written in basic phrases and not difficult to understand. You won't sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).*

Book Condition: New. Publisher/Verlag: HarperCollins US | A modern package for this fan-favorite novel from New York Times bestselling author Rachel Gibson. | When everything about her life in Las Vegas just seems to be going wrong, Kate Hamilton leaves her job as a PI and points her car toward Gospel, Idaho. Gospel is the kind of town where a girl can take it easy and just be herself, or so she hopes. But when she gets there, people get the impression that she s a bit of a ball-buster. And she is, at first. But Gospel has a way of softening people up. One of those ways is Rob Sutter. He s a spectacular-looking former hockey player with a wild past of his own, who now lives a quiet (albeit slightly macho) life running his sporting goods store and fly-fishing. Kate and Rob are so wrong for each other that there must be something right. If only they can start seeing each other for who they really are- | Format: Paperback | Language/Sprache: english | 183 gr | 171x106x27 mm | 368 pp.
