GENETIC TOXICOLOGY AN AGRICULTURAL PERSPECTIVE BASIC LIFE SCIENCES

Springer. Paperback. Condition: New. 550 pages. Dimensions: 10.0in. x 7.0in. x 1.1in. To meet the needs of an ever-growing world population for food and fiber, agriculture uses an arsenal of chemicals to control insects, weeds and other pests that compete with man in the agricultural arena. In addition to their intended effect, many of these biologically active materials affect non-target organisms including man himself. There is concern about the resulting occupational exposure of those who work in agriculture and the environmental...
