

The Bones of Deer: A Collection of Canadian Poetry (Paperback)

By Gordon R Menzies

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Impactful lamentations and sensual soul song dug from an earthy, visceral existence and a pensive, youthful penury. these poems include some of the earliest works of the Canadian poet Gordon R. Menzies. As when a skin drum is struck repeatedly and the sound of it echoes through the world loud enough to feel it in your very bones, so too here is what resonates from a natural man of letters when life sends wave after wave of challenges and ambushes on his intensely personal and winding road above the earth. He s found many things beneath the stones. Embrace the brooding mind of a wild wordsmith untamed.
