Brand New Book ***** Print on Demand *****.Excerpt from The Invisible World About Us: A Lecture on the Unseen Regions Beyond the Grasp of the Physical Senses and the Life We Live After Bodily Death In the midst of the most vigorous life few people are perfectly free from the fear of death. Death is the skeleton that sits at the feast of life. It is the silent Spectre that fills the mind with fear. Across every threshold and upon almost every heart falls this fearsome shadow. Any philosophy that removes this dread, that dispels this cloud and lights the tomb with reasons torch, deserves the thanks and gratitude of all. No greater boon can come to man than a knowledge of nature that shall rob death of its terror and drive this fiend of fear from the human heart. Nothing is, or possible can be, supernatural. Nature is all-inclusive. The lightest atom and the most ponderous star, the simple fact of daily life and the most mysterious phenomenon, are equally the subjects of universal law. A thing may be superphysical and for the...
