

Peace With Parkinsons Its Called A Resting Tremor, Not An Earthquake.

By Mark David Colo

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 310 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. Like the layers of an onion, our upbringing, our peers, our society, the media and our own unique life experiences have encased each one of us in counterfeit layers of who we may think we are, how we think we should act and what we think we can and cannot do. Peace With Parkinsons is about ways in which counterfeit layers are created and remedies through which these layers can be removed. From the moment we awaken to the moment our head hits the pillow late at night, we are bombarded with nonstop turbulence in the form of media advertisements, school assignments, work issues, marital difficulties, dating dilemmas or perhaps time devoted to developing strategies to mitigate sibling quarreling within the home. The effects of life turbulence unlike air turbulence rarely include a pre-warning, life turbulence can come when we least expect it and can exact a heavy toll if left unaddressed. Life turbulence left unattended produces a condition known as layering. The sheaves we create around ourselves cloud our identity and manifest themselves in many forms. Pride, Anger, Revenge,...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS
