WALKING THE BIBLE

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Walking the Bible was written with the intent of encouraging believers to investigate God s word for themselves. The studies are designed to give the reader an idea of what s going on in each book of the Bible, as well as what it is trying to teach us; while leaving enough room for the reader to desire more. The studies were written in short, easy to understand language so they can be quickly read and easily digested. The goal of Walking the Bible is for its readers to share in the experience of the transforming power of God s Word.
