The Eve of Destruction: How 1965 Transformed America

By Patterson, James T.

Basic Books, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Michael Beschloss "One of America's greatest historians makes a powerful argument that the most important historical pivot of the revolutionary 1960s was not President Kennedy's assassination or the tumult of 1968, but the fateful moment when Lyndon Johnson, at his zenith, turned from his Great Society to escalate the war in Vietnam, and when his passage of the Voting Rights Act was quickly followed by riots in Watts. So evocatively does James Patterson take us back into the vanished world of 1965 that many readers will wish they could travel back in time and somehow change the tragic arc of history." Ira Katznelson, Ruggles Professor of Political Science and History, Columbia University "Based on rich learning and resonant with thoughtful interpretations, this incisive and lucid book does more than identify a point of inflection. Its fascinating chronicle captures and explains how a configuration of racial and social change, popular culture, robust legislative action, and a fierce and often brutal war as well as unrest at home decisively altered the vectors of American life in ways that simply had not been anticipated just before...
