Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

YOUR BEST SELF-PUBLISHED BOOK (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If you want to write a self-published book, read this one first. It won't tell you how to format your book for self-publishing, promote it through social media, or game the Amazon system with bogus reviews. It isn't about making your book a bestseller for five minutes. It's about writing and editing a self-published book you can be proud of and that someone besides your mother will love. Loaded with tips, anecdotes, and examples from writers who did it right and some who did it oh, so wrong, this accessible guide shows you how to make your work look like that of a polished professional, right from the start. A short, easy read, Your Best Self-Published Book can make you a better writer, beginning today--and writing better increases your chances for long-term self-publishing success.
