

Five Mice in a Mouse Trap (Paperback)

Filesize: 5.05 MB

Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Utterly enchanting children s book with the Man in the Moon as narrator and principle storyteller. The mice are actually children, five siblings the Man in the Moon calls Nibble, Brighteyes, Fluff, Puff, and Downy the baby, who come to live in an eccentric house he dubs the Mouse-Trap, in the little village of Nomatterwhat, in the state of Nomatterwhere. The Man in the Moon uses a giant mirror to look down on all the children below. He has a dog with the unlikely name of Bmfkmgh (and none of you will be able to pronounce that, except the children who live in Wales). There is an awful lot of effort gone into this book, which is jampacked with stories, songs and rhymes, featuring talking dolls, walking beds, trousers made of diamonds and steeplechasing whale. The Man in the Moon is also something of a Sandman, taking the children on various dream journeys to China, the North Pole, and the Indian Ocean, where they meet or hear about lively characters with pleasingly funny names like Pun-Chin and Michikee Moo.
