

Ethics Education for Peace (Paperback)

By Miguel a Cano

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book presents a proposal for ethical education for peace that includes a character and heart education, and a civic and intercultural education, to be taught in the family, school and society. What is clear is that a superficial education of democratic values is not enough to solve the current crisis of values and solve the problems of individual, family and social moral degradation that paradoxically affect more to democratic advanced nations. Rather, it would require a genuine silent revolution that will bring people to a moral maturity, form healthy families, and create communities and nations that live in peace and harmony.
