Her name is Alexis. She s a punk girl with shabby green-dyed hair. She wears a pink collar around her neck. Alexis talks about growing up in Lexington, SC. She belongs to some strange cult, in which her family members are the only devotees: her mother, her father, and her brother. She hates them all. Whenever she brings up the house they share, I see her contempt. She wants to get away from it. I want to help her, whether I m retired or not. I ve helped others escape from cults in the past. Why can t I do the same now? The house. I can t get it out of my mind. The horrors she told me about it. So many details, and yet so much mystery. I must see the house for myself. That is the only way that I can save her. - Daniel Paine, Cult Specialist, and Deprogrammer The House is the sequel to The Head from Brian Barr, and the second book of the 3 H s trilogy.
