OPEN SOURCE FOR THE ENTERPRISE

O Reilly Media, Inc, USA, United States, 2005. Paperback. Book Condition: New. 232 x 174 mm. Language: English . Brand New Book. Open source software is changing the world of Information Technology. This book provides something far more valuable than either the cheer-leading or the fear-mongering one hears about open source. The authors are Dan Woods, former CTO of and a consultant and author of...
