The Bible is the most popular book in the world. Books usually die in their youth, but the Bible, begun about four thousand years ago and completed nearly two thousand years ago, seems endowed with perpetual life. Last year (1915) there were over twenty-nine million copies of Scripture, either whole or in part, printed. This is in itself a miracle. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
