The author aligns her psychological perspective with the Tibetan s (Ascended Master Dhwhal Khul, aka Master DK) cosmic wisdom to address the central issues that humankind will be increasingly facing in the upcoming years. The Tibetan s intent is to help us prepare for tremendous change. Humankind is now walking the razor s edge. We must make a significant shift in consciousness. There is no other place to go but forward. We are collectively undergoing total transformation -- a new human being is emerging. So much promise awaits us; we are architects of the new paradigm. All of this hard work is not for naught. Within these pages, the Tibetan offers his teachings to clarify, ease, catalyze, and reassure us on this mysterious journey. This book is written to help focus us on what is most important at this time, to provide guidance for how to best...
