Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written ebook. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

(Cathrine Larkin Sr.)

WE ARE ALL MIGRANTS: POLITICAL ACTION AND THE UBIQUITOUS CONDITION OF MIGRANT-HOOD (PAPERBACK)

Stanford University Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Now more than ever, questions of citizenship, migration, and political action dominate public debate. In this powerful and polemical book, Gregory Feldman argues that We Are All Migrants. By challenging the division between those considered citizens and migrants, Feldman shows that both subjects confront disempowerment, uncertainty, and atomization inseparable from the rise of mass society, the isolation of the laboring individual, and the global proliferation of rationalized practices of security and production. Yet, this very atomization-the ubiquitous condition of migrant-hood-pushes the individual to ask an existential and profoundly political question: do I matter in this world? Feldman argues that for particular individuals to answer this question affirmatively, they must be empowered to jointly constitute the places they inhabit with others. Feldman ultimately argues that to overcome the condition of migrant-hood, people must be empowered to constitute their own sovereign spaces from their particular standpoints. Rather than base these spaces on categorical types of people, these spaces emerge only as particular people present themselves to each other while questioning how they should inhabit it.
