To obtain this end, Mr. Forbes had also prepared for the press an accurate edition of Mr. Tull s Essay; containing the final rules he drew from the whole course of his experience, and his many valuable remarks, that lie almost smothered in the polemical appendixes, c. to which Mr. Tull was provoked by those literary vermin, that are as injurious to the agriculture of England, as the fly is to our turnips. And this work will not be loft to the public, mould a charitable disposition, to a poor widow and distressed family, sufficiently prevail among the friends to rational agriculture.
