Baker Publishing Group, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. The most vital and significant moments in life are moments of encounter. Whether we encounter ourselves, others, or God, these moments let us know that life is meaningful. And presence is what makes encounter possible. When we are truly present, everything that has being becomes potentially present to us. In this unique resource, David Benner invites us to live with more presence so we can know the presence of God more deeply in our lives. Drawing on over thirty-five years of experience integrating psychology and spirituality, Benner examines the transformational possibilities of spiritual presence and encounter in fresh, exciting, and practical ways. He helps readers understand the personal and interpersonal dimensions of presence and encounter, revealing how they mediate Divine Presence and serve as sacraments of everyday life. His rich meditations are presented in a voice that is intelligent, compassionate, and engaging. The book includes end-of-chapter reflection exercises for individual or group use and a foreword by Richard Rohr.
