This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

Brand New Book ***** Print on Demand *****.In this early work on one of the most attractive crafts that man has developed, special attention is paid to the many details of leathercraft needed by the beginner if he wishes to produce attractive pieces of work. Its 210 pages are extensively illustrated with explanatory diagrams and photographs and provide a wealth of information on leathercraft. An essential title on any craft enthusiast s bookshelf.
