Reviews

It is one of the most popular pdfs. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.

Four bells, sir! reported the messenger-boy, to the officer who had charge of the deck of the Storm King. Very good. Quartermaster, make it so. The silvery tones of the little bell rang through the vessel, and immediately there began a great noise and hubbub on the berth-deck, which, but a moment before, had been so quiet and orderly. Songs, shouts of laughter, and noises of every description, that can be made only by a lot of healthy boys just turned loose from their studies, arose through the hatchway, and presently the crew came tumbling up the ladder. The foremost held a guitar under his arm; the one that followed at his heels brought a checker-board; a third had a box of dominoes; and the boy who brought up the rear carried a single-stick in each hand, and went about challenging every one he met to a friendly trial of skill. Some of the crew walked aft to converse with their officers; the boys with the checkers and dominoes seated themselves on deck to engage in quiet games; he of the single-sticks very soon found an antagonist; and the sailor with the guitar perched himself upon the heel of the bowsprit, and, after tuning his instrument, cleared his throat, preparatory to treating his companions to a song containing the information that he had at one time Sailed in the good ship Bessie.
