Foulois and the U.S. Army Air Corps 1931-1935

By Office of Air Force History, U S Air Force

Createspace, United States, 2015. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.Few nations in modern times have been prepared for war. Even the aggressors who have initiated conflicts have not been fully ready, for they could never be certain how their victims would react or what the clash of arms would bring. Nor, since the industrial revolution of the 19th century accelerated the pace of technological change, could a nation predict the impact of new weapons on battle and decide upon new tactics and strategies necessary for victory. For most of its history, the United States did not trouble itself deeply with problems of preparing for war. With wide oceans separating it from the major powers of the world, and with a tradition isolating it from the balance of power system which governed international relations, this country could afford a military policy predicated on mobilizing after hostilities had begun. Its small peacetime military and naval establishment was designed for border security, for patrol of distant seas and a vast continental interior, for exploration, and after the dawn of the 20th century, for a cadre and training base which would...
