## Rasgueados

By Angelo Gialamas

Viterbis, Inc. Paperback. Condition: New. 548 pages. Dimensions: 11.0in. x 8.5in. x 1.2in. About This Work This multi-volume work is a specialized method, teaching and guide of each and every aspect of Flamenco guitar mastery. Strumming, Picking and Percussive techniques, Arpeggios, Improvisation, fingernail tips, capos and various gold nuggets that only Masters possess with distinct elegance. My work and contribution is thorough and complete. It is comprised of these elements: Multi-level practice exercises for the learning and skill strengthening of Flamenco guitar playing techniques A device and apparatus that helps shape the finger dexterity needed to achieve control, tone, strength in the movement. An accompanied mobile app that propels learning through corrective, non-intrusive, non-judgmental student engagement. Website showcasing work through multimedia and eBooks digital downloads via active subscriptions. A community of support. Lessons of high value and caliber include Rasgueados, Golpe, and Thumb exercises. About The Wearable Device This book is accompanied by a wearable apparatus (device) that can accelerate learning, help build finger agility and independence must faster than without. Typically, a student will experience a tenfold improvement in his ability to accurately perform the designated exercises. Since in Rasgueados strumming techniques, finger dexterity is particularly critical, the reader is...
