

## Importance of Basel III for lending alternatives to SMEs

By Daniel Hosp

GRIN Verlag GmbH Sep 2013, 2013. Taschenbuch. Book Condition: Neu. 211x146x2 mm. This item is printed on demand - Print on Demand Titel. Neuware - Seminar paper from the year 2012 in the subject Business economics - Investment and Finance, grade: 1, University of Innsbruck, course: Aktuelle Themen in Banking and Finance, language: English, comment: Corporate Finance is probably one of the most important fields within a firm and its significance has even increased due to worse market conditions coming with the new regulatory rules of Basel 3. Apart from the most prominent financing type of bank loans several alternatives exist. This paper especially deals with leasing and factoring as strongly growing lending alternatives. , abstract: Basel III is currently on everyone's lips. Some weeks before the introduction of the first requirements it is still not fully clear how and which parts of it will be implemented. Several studies about the impact of Basel III on bank loan availability for small and medium sized companies (SMEs) do exist (e.g. McKinsey (2010)) which have shown that the introduction of those new regulatory requirements hamper the access for SMEs to sufficient sources of funding. This raises the question if these...

### Reviews

*This book is definitely worth acquiring. I have gone through and so I am certain that I will likely read through again in the future. It's been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which it actually altered me, change the way in my opinion.*
