Reviews

It is one of the best books. Indeed, it really is a play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

AIA GUIDE TO NEW YORK CITY

[DOWNLOAD](#)

Oxford University Press. Paperback. Condition: New. 1088 pages. Dimensions: 10.1in. x 4.9in. x 1.9in. Hailed as extraordinarily learned (New York Times), blithe in spirit and unerring in vision, (New York Magazine), and the definitive record of New Yorks architectural heritage (Municipal Art Society), Norval White and Elliot Willenskys book is an essential reference for everyone with an interest in architecture and those who simply want to know more about New York City. First published in 1968, the AIA Guide to New York City has long been the definitive guide to the citys architecture. Moving through all five boroughs, neighborhood by neighborhood, it offers the most complete overview of New Yorks significant places, past and present. The Fifth Edition continues to include places of historical importance--including extensive coverage of the World Trade Center site--while also taking full account of the construction boom of the past 10 years, a boom that has given rise to an unprecedented number of new buildings by such architects as Frank Gehry, Norman Foster, and Renzo Piano. All of the buildings included in the Fourth Edition have been revisited and re-photographed and much of the commentary has been re-written, and coverage of the outer boroughs--particularly Brooklyn--has been expanded. Famed skyscrapers and historic landmarks are detailed, but so, too, are firehouses, parks, churches, parking garages, monuments, and bridges. Boasting more than 3000 new photographs, 100 enhanced maps, and thousands of short and spirited entries, the guide is arranged geographically by borough, with each borough divided into sectors and then into neighborhood. Extensive commentaries describe the character of the divisions. Knowledgeable, playful, and beautifully illustrated, here is the ultimate guided tour of New Yorks architectural treasures. Acclaim for earlier editions of the AIA Guide to New York City: An extraordinarily learned, personable exegesis of our metropolis. No other American or...
