CAMPANA BROTHERS: COMPLETE WORKS (SO FAR) (HARDBACK)

Rizzoli International Publications, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. The comprehensive monograph on one of the most celebrated bodies of design in recent decades. Inspired and distilled from Brazil's street and carnival cultures, Humberto and Fernando Campana have consistently produced gleefully imperfect designs that challenge the modernist hierarchy of form and function and the relationship of art and utility. Key figures in the design art movement, the Campanas work has been highly sought after by collectors and auctioned for hundreds of thousands of dollars. The Brazilian-born brothers cite their country's unique culture as integral to each object, often using materials from Sao Paulo's favelas in their work as both inspiration and as functional parts. In their hands, coils of rope, stuffed alligators, and Bubble Wrap are transformed into shapes of unexpectedly graceful chairs, lounges, and other pieces of highly functional if improbable furniture. This element of playfulness has become a signature of their work, demonstrating an ability to imbue each piece with sophisticated humor and unpredictable form. A highly anticipated monograph, the first of their career, this book contains newly commissioned photography and detailed information on all of the Campanas designs, including prototypes, rare one-offs, and limited and mass-production pieces. In addition, four illuminating essays by experts in the design field make this the book on the Campanas for years to come.
