Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

Forgotten Books, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Hardwicke s Science-Gossip, Vol. 19: An Illustrated Medium of Interchange and Gossip for Students and Lovers of Nature To few people does the flight of Time seem more rapid than to a magazine editor, and at no period does it appear so rapid as when he is called upon to indite the annual Preface to the yearly volume. It seems but as yesterday since he last addressed his readers, and the very words he uttered echo in his ears. What can he say this year that he did not say last? He has the same story to tell, but he must tell it in different words. This is all the more difficult when the thoughts to be expressed are sincere - when he really does wish to express his deep sense of gratitude all round - to the kindly forbearance of his readers, and particularly to the help-meets who so readily and generously spring up all round, to answer questions, solve difficulties, help the less informed, and give us the result, oftentimes of a life-long experience and hard work, in original papers and notes - and all for the genuine love of it! These are the things which make the editorial burden easy and the task light - long may the same pleasant spirit of friendship exist between Editor, readers and contributors! The present is the Nineteenth Annual Volume of Science-Gossip. Within the period of its literary life it has seen many confreres spring up and die down. It was never surrounded by so many as at present, for never before was inquiry and scientific research half so widely diffused and active. The principle of natural selection operates among magazines as it...
