Excerpt: . . . 11 ANFORTH Senator D. Well, his story is that he knew that, but that he did not understand this so-called construction pit, which is about 75 feet away from the building and which is - he did not feel was the fire hazard, that the building was. His belief was that the order did not cover that construction pit. Now, we asked Attorney General Reno what her understanding was and she said that her understanding was that her order did cover the construction pit. PECTER Senator S. The missiles on the pyrotechnics were not found, correct, the three missiles which were fired Senator D. That is right. Three of them are missing and ANFORTH two of the shells are missing. There is a photograph of one of the projectiles, but all three projectiles are missing and two of the three shells are missing. Senator S. Senator Danforth, you concluded that those PECTER were the only three projectiles which were fired. ANFORTH Senator D. Yes. Senator S. In a context where you haven't been able to PECTER find the three projectiles which were fired and two of the casings of the projectiles, how can you be so sure that there were not other projectiles fired which might not be discovered in the main part of the compound, where they might have caused a fire had they, in fact, been fired ANFORTH Senator D. Well, first, we have questioned all of the FBI agents who were present and there is no evidence that has been presented of any other projectiles being fired. We particularly ques-tioned the FBI agent who did fire the pyrotechnic projectiles...
